## Happy Spring!

Our annual scholarship bingo was a hit! We raised \$280 for our scholarship fund. Thank you to the ladies that brought yummy food and treats!

Also huge thanks to those who wrote a birthday card to Mr. Newton. He was very appreciative of the love and support.

Our next meeting/CPE credit is canceled due to the crazy weekend ahead of the solar eclipse. Did you know Killeen will have the longest totality in the area at 4 minutes and 16 seconds?

Please be safe and stock up on food and supplies!

See you in May!

Dear Michele,

Congratulations! The DKG International Arts and Humanities Jury thanks you for being among the DKG Gallery of Fine Arts entrants of the January 15 – February 15, 2024, submission period. Your 3-D piece, 'Symbol of Wisdom', has been accepted into the DKG Fine Arts Gallery.

An announcement will be sent to your State President, Webmaster, and Newsletter Editor. Please inform your Chapter President and Arts & Humanities liaison (if you have one). There is also a press release attached for your use in your local newspaper.

We anticipate the unveiling of the new DKG Fine Arts Gallery by mid-April. Your work will be displayed in the gallery for six months, after which it will be archived for two years. Another opportunity for showcasing your accepted work is at the DKG International 2024 convention or 2025 conference Expo. If you are interested in participating in the DKG in person Art Gallery 2024, at National Harbor, MD this summer, please complete the Google form that is currently available on the DKG website under the convention page. We encouraged you to submit additional works during the next submission period from August 15 – September 15, 2024.

We have had great interest in the Art Gallery and consider it to be an especially important venture for the Society. We are continually impressed by the caliber of work submitted and the creativity of our members! Thank you for your support! Again, congratulations for your accomplishment.

Sincerely,

DKG International Arts & Humanities Jury Irene Maskaly, Chair Roxanne Lagarde Dr. Linda Eller Heidi Ragsdale Dear Sisters of Lambda Omicron,

You cannot possibly imagine how amazed, surprised and humbled I was to receive a package filled with birthday wishes. The ladies of Lambda Omicron remembered me! It was a special moment in an old man's life. It will not be forgotten.

In the forty-five-plus years of Nancy's involvement with Delta Kappa Gamma, I have found it continually fascinating that over the years that I have been so welcomed into the fellowship of the organization. I feel as if I have been adopted as a bother. I am moved and honored by that.

I thank each of you for taking the time and making the effort to prepare your comments and best wishes. I am humbled and thankful that you have made that effort. Every DKG sister was important to Nancy – and she knew the names of thousands – so, you are also important to me. Whether we have met at State Convention or some other event, or never met at all, I want you to know that you are important to me as well.

My birthday was busy and rewarding. For several days I was in my kitchen preparing hams, sweet corn, cut green beans and sponge cake for our church outreach ministry, and we fed almost 100 homeless persons in south Fort Worth Saturday afternoon. Serving others is always a privilege...and, to do so on your 81<sup>st</sup> birthday! What could be better?!

Eight-first birthday...does that mean I'm almost in my seventies? Perspectives sometimes change with age.

Anyway, I want to say thank you and express appreciation to each of you for the birthday cards and wishes.

Maybe we shall have the opportunity to share a hug and a cup of coffee at the Convention in Denton next year. Look for me. Hugs, even if we don't have coffee.

With kind regards and love, **Ed** (Mr. Nancy) **Newton** TSO Presidential First Spouse, 2013-15
